

Summary

Motivated and creative NYU Junior, seeking an internship in User Experience Design. Eager to apply my knowledge in coding, design, and digital media to real-world projects, while gaining hands-on experience and contributing to innovative solutions.

Education

New York University

Fall 2021 - Spring 2025 (Expected)
B.F.A. in Interactive Media Arts
Minor in Digital Art and Design
GPA: 3.85

Projects

Library Redesign, StudySphere

October 2023-December 2023

- Collaborated with a team of 2, researching, prototyping, and testing a mobile application
- Underwent a round of critique from 4 industry professionals, refining the design of the StudySphere application for optimal usability and user experience.

Personal Portfolio Website

April 2023-Ongoing

- Designed and developed a professional portfolio website to showcase a collection of UX and Design projects
- Utilized HTML5, CSS3, and JavaScript to create responsive design and interactive elements.

Positions of Responsibility

Art Instructor, St. John Catholic School

Summer 2022, Summer 2023

- Developed and delivered engaging art curriculum tailored to children's interests and skill levels.
- Demonstrated leadership by fostering creativity and artistic expression while maintaining a safe and inclusive learning environment.
